UKE NOMAD - HALELUJAH BABY

UKE NOMAD

UKE NOMAD play contemporary & original Jazz/Folk featuring Tenor & Bass Ukuleles with an ear tuned for sound quality. Looping the tenor rhythm line and layering lead uke with flute, gives an inspiring counterpoint for the rich vocal harmonies of the songs to shine through. With full time touring now on the horizon, UKE NOMAD – Anu Grace with Laurie Bycroft on Uke Bass, is rising to attention as they begin a life on the road, teaching and performing at Festivals around Australasia. Festivals played include Palm Creek, Tablelands, Auckland and Canterbury Folk Festivals, Wintermoon, Luminare, Cairns Ukulele Festival, Newkulele, Eco-Fiesta, PUNQ Arts Fest, Townsville Blues & Roots and most recently the Speigeltent at the Commonwealth Games and numerous House Concerts which we love to play most of all.

HALELUJAH BABY

Epic 5 piece festival band HALELUJAH BABY play an eclectic mix of Original Folk/Rock/Jazz mixed with hot Contemporary favourites. Searing guitar lead from Corby Green punctuates the Uke rhythms and soulful lead vocals from Anu Grace. With Sophie Thompson on Keys and B.v's and Paula Swanson rockin the drums, Laurie Bycroft on bass keeps the Hal Baby ship rocking. HALELUJAH BABY has re-corded 2 albums 'Love from Woodfordia' and 'Tell me a Story' and are available for big festival stages. Listen at
